

Rossville Reserve Fence Standards

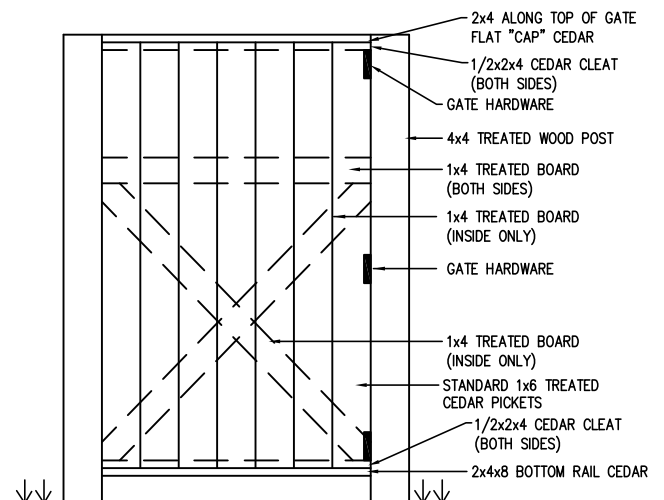

PRIVACY FENCE NOTES

- All fence to be "Treated Cedar"
- Fence to be stained with Natural Cedar no later than 90 days after installation.
- Landscaping is an acceptable alternative to any fence style shown
- 6' Privacy Fence with cap for all fencing along house frontage and public streets
- "Good" side of fence must face towards the neighbors if first fence built. Otherwise, the "good" side can face inwards. Along the rear property line, the "good" side may face inside the yard.
- See details for construction standards of privacy fencing.
